Who we are

We are a Arunthathiyar (Dalit) Women headed are working for Empowering marginalized Communities people, since 2011 at Erode. District, Tamilnadu, India. This society registered under the Society Act 1975.

We Believe

"Every women's should ensure their human rights and their dignity with out discrimination".

Our Objects

- To ensure the sustainable rural economic development for most marginalized community.
- To ensure the most marginalized girls education.
- Protect the most marginalized community health and mental Health.
- To Ensure the most Marginalized women human rights. To develop the most marginalized women Leadership.
- To eradicate caste based occupation such as manual scavengin.

Our Intervention

- We are promoting rural village Level community banking system (Thrift and credit societies) for economic sustainability.

- Developing higher education fund and supporting most marginalized community.
- Conducting various training for most marginalized women leadership.

Target Group

The Arunthathiyar People (also know as chakiliar) are one of the most maginalized among the dalits, and are exploited by the dominant communities in india. There are 60 lakhs Arunthathiyar in Tamilnadu, mostly residing in western district. They can be called Dalit among dalit. They are often compelled to do very menial, undignified jobs such as manual scavenging.
